

Welcome to Columbus ELD

This presentation will guide you through the onboarding process for your new company account with Columbus ELD.

Company Onboarding

Portal Access

Your company will be created by an administrator. You will receive portal login credentials.

Initial Setup

Update your password, verify company details, and check your time zone.

Managing Your Fleet

1

Add Trucks

Go to Manage -> Vehicles -> New Vehicle to add trucks to your fleet.

2

Add Drivers

Go to Manage -> Drivers -> New Driver to add drivers to your fleet.
